Report of Principal and School Improvement Council

The 2008-2009 school year marked the beginning of a number of changes designed to improve the curriculum, instruction, and achievement of students at Alice Birney Middle School!

In addition to a year long focus on literacy and vocabulary building for all staff members, we created and implemented a comprehensive reading intervention program that was designed to meet the needs of students who were struggling to read on grade level and improve the every day instruction in English/Reading classes for every student. Next year we will be expanding on this concept to improve the rigor of reading and literacy in all subjects for every child at every level of achievement, especially our most gifted learners.

While we worked to raise the academic expectations, we continued to use "CAT" – Curriculum Acceleration Time. CAT provided every child access to additional teaching and work time for assignments they needed more time for. This same option was also offered by academic teachers on Tuesday and Thursday afternoons for any student wishing to participate in tutoring time. Students who consistently demonstrated excellence were honored with SUCCESS Awards, DARE Credits, and other recognition. We even initiated leadership programs for girls and boys, CLASS and ARMS. Both of these clubs, along with Student Council, focused on service to the community while building personal success skills.

Complimenting an active academic program was a strong extracurricular program. In addition to ARMS, CLASS, and Student Council, the school fielded sports teams in football, soccer, track, and basketball. Cheerleaders were organized for both fall and spring sports and provided spirit support for PASS and the Stall Spring Jamboree. On-going partnerships with the Trident Urban League, Intertech Group, and the College of Charleston continue to bring clubs and activities to our students on a daily basis. We also started our own entrepreneurial team that developed and implemented a business plan for Sonic's Italian Ice with a local business person!

We believe we are making decisions daily that will promote Alice Birney to a "Met Standard" school within the next four years. We believe that our students are fully capable of achieving at high levels if given the tools and time necessary and we are committed to making this vision a reality. Go THUNDERBIRDS!
